Email1 - Request for Extension on Assignment Submission

Subject- Request for Extension on Assignment Submission

Dear Professor,

I hope you are doing well. I am writing to respectfully request an extension for the submission of the monthly briefing, which is currently due on 31st June 2026.

Due to overlapping academic deadlines and personal circumstances, I have been unable to complete the assignment to the standard I aim to maintain. I am committed to submitting quality work and would greatly appreciate additional time.

If possible, I kindly request an extension until 5th July. I assure you that I am actively working on the assignment and will submit it within the requested timeframe.

Thank you for your understanding and consideration. I appreciate your time and support.

Sincerely,
Yash Rao Patankar,

Subject- Inquiry for Summer Internship Opportunity

Dear Internship Coordinator,

I hope this message finds you well. I am writing to express my interest in a summer internship opportunity at your organization. I am currently a first-year student pursuing an Integrated MTech in Computational and Data Science, and I am eager to gain practical experience in a professional environment. Through my academic coursework, I have been developing skills in Python programming, problem-solving, and analytical thinking. I am particularly interested in applying these skills to real-world projects and learning from industry professionals.

I would be grateful for the opportunity to contribute to your team while gaining valuable insights and experience. Please let me know if there are any available internship positions or application procedures I should follow.

Thank you for your time and consideration. I look forward to your response.
